SEX SURVEY

The editorial staff of Fizeek, regularly receives letters from their readers seeking advice or solutions concerning their sex problems. We answer as many of them as we can, but we find that there are many we cannot sufficiently answer because of our limited medical, psychiatric, and physiological knowledge.

We have therefore decided to publish the following letters in hopes that you, the readers of Fizeek, will have some of the answers or advice to these problems.

We would greatly appreciate any answers or opinions you would care to send us. Send us also any questions of your own you might like answered. No names will be printed. Address your letters to SEX SURVEY, BOX 385, FRANKLIN STATION, WASHINGTON 44, D. C.

A College boy from Akron Ohio writes:

My football coach has told us that sex is bad for an athelete when he is in training. Any kind of sex. Now, I have had at least two orgasms a night since I was fourteen. It would be hard for me to stop now. Is my coach right? What should I do? Should I give up football, or sex?"

A man from Glendale, California:

I have just had an operation for hemorroids. Before, my favorite kind of sex was b—— b—— (vernacular for the passive role in anal intercourse). My roommate is anxious to our continuing having sex this way. Since the operation, should I? Is it safe? My doctor is straight so I can't ask him. Does b—— (anal intercourse) cause hemorroids?

A sailor from Jacksonville, Fla.:

I like the Navy very much, but I have a problem. I like boys, especially sailors. It's a big problem for me because I'm also very much oversexed. It takes very little stimulation to stir me up which can be very embarassing at times. Now I live in a barracks with thirty guys who are all the time running around without much on. I don't dare take a shower anymore unless I know no one's around. Now, what I'd like to know, is there any kind of pill or medicine I could get which would calm me down, so I wouldn't get excited all the time? As it is, I'm turning into a nervous wreck.

From Chicago, Illinois:

A friend of mine just got out of jail where he spent three months on a Disorderly Conduct charge. I thought he would come out feeling and looking lousey, but on the contrary, he looked great and felt fine. He said that he had the best time of his life there. He had the most and the best sex he's ever known, that the guards didn't give a damn what went on. Do you think he's telling the truth or just saying a lot af bull?

From San Antonio, Texas:

"What diseases can you get from s—— a c—— ? (vernacular for fellatio, or oral intercourse).

From Los Angeles, California:

I have a brother who's two years younger than I am. He's a good-looking guy, with a very good physique and the chicks all think he's hot stuff. Last month, and several times afterwards he would come into my room, usually just wearing his shorts, and start asking me a lot of funny questions, like "What are lesbians?" and "Do I think queers have much fun in bed?" and a lot of other questions like that. I turn red and have a hard time answering him. I don't know if he knows whether I'm gay myself or not. Sometimes I get the kind of feeling he's making a pass at me. What would a doctor think of this? Do you think it's very bad for two brothers to make it together?

From San Juan, Puerto Rico:

Is it true you can go blind from getting sperm in your eye?

From Hackensack, New Jersey:

When is the earliest age a boy can be safely anally penetrated?

From Louisville, Kentucky:

My friends tell me my penis is much larger than the average. This may be so, but I tell them not to envy me for I have found that I cannot get mine as hard or keep it that way as a guy with smaller equipment. Is this generally true with guys with big m—— ? (vernacular for penis).

From Washington, D.C.:

I have been able to come eight times in four hours. What is the average? Is it bad for your health to come so many times?

100 NAKED REBELS

AT LAST —— Customs and the Post Office, after months of deliberation, have permitted Guild Book Service to present to the public one of the most controversial, exciting picture books of the decade by Europe's most renowned nudist photographer.

ONE HUNDRED NAKED REBELS IS A 52 PAGE NUDIST BOOK WITH A DIFFERENCE.

On the cover are two fine examples of young German womanhood, but all femininity stops there. The book is actually a lyrical paen to Nordic boys from eight to eighteen, all in their glorious all—togetherness.

HERE ARE A HUNDRED MISCHIEVOUS, GOLDEN—TANNED YOUNGSTERS LYING IN THE SUNLIGHT, SPLASHING IN A MOUNTAIN BROOK, PLAYING, WRESTLING, FROLICKING WITH EACH OTHER —— ALL IN CLEAR, SEPIA—TONE, UNRETOUCHED NUDITY.

This is a book glorifying the laughing, fun—loving, glowing—with—health growing boy —— without one stitch of clothes hiding his uninhibited merry-making.

GUILD BOOK SERVICE GUARANTEES THAT THERE IS NOT ANOTHER BOOK ANYWHERE IN AMERICA LIKE IT, AND ONE HUNDRED NAKED REBELS IS ONLY OBTAINABLE THROUGH GUILD BOOK SERVICE.

It is a volume that collectors thought would be impossible to obtain, a volume that belongs in every connoisseur's library.

Place your order while this amazing book is still available or you'll be missing out on the most unusual nudist book that has ever been published.

Male Sexual Deviations and Bizarre Practices

This is an unusual book. The writer has a keen sense of humor, knows his psychology and psychiatry, loves the human race and assumes that no matter what people do sexually it is, for them, fun. The idea that sex can be fun is still relatively new in America and the idea that deviant sexual activities can be pleasant is still too new to have been given serious popular consideration.

The book opens with some pungent observations upon mankind's inability to accept the products of its own history:

. . . After a million years man still can't accept what is called perversion as part of normal sexual behavior.

. . . Civilization has flourished with its perversions encapsulated inside of it.

. . . Long before man evolved to vex himself with rules, the other animals had invented the sexual oddities.

We can only briefly indicate some of the fascinating material in this book by listing a few chapter headings and the material they include:

THE LOVING HAND: Advances the view that masturbation is a solace and blessing to mankind—also discusses some modern refinements.

A TASTE OF HONEY: Points out why men enjoy fellatio and also why others enjoy doing this to someone. Relates the case of the husky fireman who was so desperate for someone he attempted to rape the psychiatrist!

THROUGH THE REAR DOOR: The most thorough discussion of anal intercourse we have ever read and the most rational discussion of the psychology of the active and passive sodomist in print. The case of "Norman" is amusing as he relates that "I turn over easy, even if I am asleep. I think it's a wife's duty." We have the case history of the handsome "Sand Wilson," who likes passive sodomy because "The great thing about getting it that way is that you don't have to do a thing." Finally, there is the case of Lennie, who found his first pleasure in a hobo camp and then became addicted to sodomizing truck drivers.

IN A FAMILY WAY: A thorough discussion of incest and related activity that is highlighted by the story of the "Reed" family. This family established something of a record for sexual activity because the father provided the sons with whores and male lovers, encouraged sex between the children and indulged himself with them as well ! The community felt the limit had been reached when a seventeen year old boy had sex with the teenage Patty and Ned Reed on the same day at the same time.

BOYS FOR DELIGHT: A frank discussion of why women basically dislike homosexuals and will dislike them increasingly as the competition for attractive men becomes keener. The case history of "Lee" is instructive because many readers will recognize the familiarity of the pattern of seduction and subsequent events. The author takes the position that if young boys and men could engage in homosexual activity without being made to feel guilty, they would pass on to heterosexuality in most instances and there would be many fewer homosexuals in our culture, but a great deal more homosexual activity.
